Special Rebates Available at MVEC

Rebates are available to members who sign up for an Energy Wise® program(s) - this excludes appliance rebates.

All rebate forms are available online at www.mvec.net under the "Save Energy & Money" link.

Residential Energy Star Air Source Heat Pumps & Ground Source Heat Pumps

- **\$350 rebate** for an Energy Star Air Source Heat Pump with 13 SEER or higher.
- **\$200 rebate per ton** for an Energy Star Ground Source Heat Pump.
- Product must be installed to an Energy Wise Program.
- Rebate materials required: submit a copy of your sales receipt. For air source heat pump rebates, your contractor needs to be Quality Installation (QI) certified and is responsible for completing a residential air source heat pump QI rebate application.

*NOTE: Heat pumps must be central systems to operate on Energy Wise programs and qualify for MVEC rebates. Mini splits do not qualify for the Energy Wise program.

Residential Energy Star Appliances

- **\$15 rebates** available for the following Energy Star appliances:
 - Clothes washers
 - Freezers
 - Refrigerators
 - Mini split heat pumps
- Submit a copy of your sales receipt, the yellow Energy Star card and an MVEC rebate form.

Electric Resistant Heating Products

- **\$10/kW rebates** for garage heaters, boilers, in-floor, baseboards, cove heaters, plenum heaters, electric thermal storage units and forced air.
- Product must be installed to an Energy Wise Program.
- Submit a copy of your sales receipt and MVEC's rebate form.

Please note: Rebates are offered for a limited time and are subject to change without notice. Rebates are honored on a first come first served basis. Rebates can not be carried over to the next calendar year. All rebate paperwork must be submitted during the same calendar year. Receipts and paperwork can be mailed to MVEC, C/O Rebate Paperwork, 125 Minnesota Valley Electric Drive, Jordan, MN 55352. © 2010
