

**Home energy upgrades needed?  
We have a loan for that.**

If your home's **heating** or **cooling** system isn't very **groovy** anymore, it's time to upgrade to energy efficient equipment that will **save you money** with a **low-interest MVEC loan!**

### Loans are available for:

- Electric water heater and installation
- Heat pump installation
- Heat pump with high efficiency gas furnace
- Electric heating solutions that supplement natural gas or propane heat
- Electric heat product installations (such as boilers, plenum heaters, garage heaters)

### The details:

- Up to \$5,000 at 4% interest rate for five years
- Must be MVEC member for at least six months with good payment history
- Enrolled in one or more Energy Wise programs
- Replacement items only - not for new homes
- Minimum monthly payments are \$25.00 – added to your monthly electric bill

Call Michael or Mike O at  
952-492-2313 or 800-282-6832
