

# Beat *the* Peak energy challenge

Sign up by May 21, 2017,  
for the chance to win one of two  
**\$500 VISA gift cards!**

Save energy; save money.  
It's a win-win situation.

The **Beat the Peak Energy Challenge** is a free and easy way for MVEC members to earn cash prizes (anywhere from \$100 to \$7,500) – for yourself and, if you wish, a favorite charity or organization – while you manage your personal energy use and lower your monthly bill.

Easy summer savings  
for a good cause!

I cool your home in the summer...

and keep it warm in the spring & fall.

## an Air Source Heat Pump

cools & heats so inexpensively that it pays for itself!

With half-price Energy Wise<sup>®</sup> rates and a \$500 MVEC rebate, you'll save even more.

*Financing and installation options available, too. Just ask Michael or Mike O.*
