

TERMS AND CONDITIONS:

I authorize Minnesota Valley Electric Cooperative to electronically charge my checking, savings or credit/debit card account. This authorization will remain in effect until I notify Minnesota Valley Electric Cooperative to cancel it by contacting our office, through Smarthub or our automated phone system, at least four business days prior to the due date on my electric bill.

I can also stop payment of any entry by notifying Minnesota Valley Electric Cooperative or canceling through Smarthub or the automated phone system at least four business days before the due date on my electric bill.

If this or any item is dishonored, returned or declined, for any reason, I authorize an additional charge to the account(s) listed above of \$25.00 for a Returned Payment Fee.

Once you have signed up for recurring payments, your electric bill will contain a message stating your bank draft or credit/debit card charge date. The amount will be automatically deducted from your bank account or charged to your credit/debit card on the date shown. If this date falls on a weekend or holiday, your bank account or credit/debit card will be charged the following business day.

Please print this authorization page and retain a hard or electronic copy for your records.
