

Congrats to our prize winners from the Prior Lake Fall Community Fest. Christi won an electric leaf blower and Deb won an electric string trimmer.

Electrification makes life easier

Are you starting to shop for holiday gifts? Don't forget about electric lawn equipment for the yard enthusiasts on your list.

Three benefits of an electric tool:

- No small engine to maintain
- Lighter weight & easier to handle
- Quieter alternative to a gas engine

MINNESOTA VALLEY ELECTRIC COOPERATIVE

A Touchstone Energy Cooperative

Attention Snow Birds

Before you leave for your winter home, send an email to billing@mvec.net or update your mailing address on SmartHub. Our billing department will put a note on your account. This saves us from sending a meter tech out to investigate low usage on your meter.

While you enjoy warmer weather, you can keep an eye on your Up North home's energy usage and billing statements with SmartHub. Sign up for your free account at
