# Give the Gift of Electricity!

During challenging times or just as a practical gift, the Gift of Electricity is a thoughtful present for any occasion. You can purchase any amount and gift it to an MVEC member of your choice. It's great for anyone facing financial hardship, your hard-to-buy-for parent, or a loved one on a fixed budget.

Sound like something you'd like to receive?  
Nothing wrong with giving this hint  
to family and friends!

Learn more and purchase at: [www.mvec.net/gift-of-electricity/](http://www.mvec.net/gift-of-electricity/)

**During the winter months, we are inclined to use more electricity. Receive half-price electric rates with MVEC Energy Wise programs.**

**Already on a load management program? Sign up for email notifications on days the co-op plans to manage the electric load.**

To contact an energy specialist, call (952) 492-2313 or (800) 282-6832
