

WORKING AT MVEC

MINNESOTA VALLEY ELECTRIC COOPERATIVE

LOCAL AND COMMUNITY-FOCUSED
DYNAMIC IN-DEMAND INDUSTRY
COMPETITIVE WAGES AND BENEFITS
CHALLENGING, SATISFYING WORK

We safely deliver reliable electricity at cost to our co-op member-owners. It takes a variety of skills to develop new technology and the infrastructure needed to keep the electric grid secure and power the lives and economy of our 968-square-mile service area.

Everyone's a leader

At MVEC we consider everyone a leader. Even if you don't supervise anyone, you are a leader in the job you perform, the manner you conduct yourself, and the way you treat others. Throughout the work year, Team Members receive meaningful training, development, and support to be the best they can be.

MVEC by the numbers

Established

in 1937

to bring electricity to farms and other places investor-owned utilities didn’t think was worth the investment. We power residential, agricultural and commercial accounts.

We average

100

or more fulltime Team Members with additional seasonal and college interns as needed. Everyone from CEO to intern is considered a leader in the jobs they do.

We serve

48,600

members of portions of nine southwest suburban counties — some of the fastest-growing areas of Minnesota. We serve the state’s largest candy store, Mystic Lake, and the U of M Arboretum.

Miles of Line:

4,291

968-square-mile service area
Substations: 30
Annual revenue: \$104 million
Plant Investment: \$224 million

Our commitment to **Deliver More** goes beyond keeping the lights on. It drives innovation, connection, teamwork, safety, and accountability – the cornerstones of our values.
